

THEMED Format: Official Deck Construction Guidelines

Core Deckbuilding Parameters

- **Deck Size:** The deck must contain exactly 60 cards.
- **Color Identity:** The deck must be strictly composed of exactly two colors.
- **The Captain Requirement:** The deck must include at least one Legendary Creature occupying a Rare or Mythic slot. This creature's color identity must perfectly match the exact two colors of the deck.
- **Rarity Verification:** Players may choose any official printing of a card. The legal rarity of the card within the deck is determined strictly by the specific printing selected.
